GOD IN THE ARTS

HE GAVE US EYES TO SEE THEM -CHURCH PULPITS

It is a steep climb of 199 steps that leads the visitor to Whitby from the streets below to the church of St Mary's that stands near the ruined abbey. Having negotiated the climb, the visitor enters the church and is greeted by a glorious array of Georgian furnishings: box pews and a triple decker pulpit with candlesticks and cushions. The clerk would sit at the bottom level to give out the notices, the parson would lead the service in the middle. and then he would ascend to the third level to expound the Word of God.

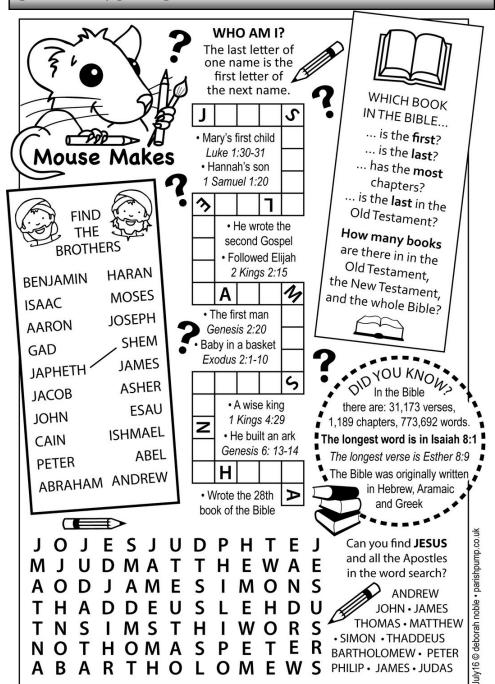

George Herbert says that for the country parson the pulpit should

be 'his joy and his throne.' Sydney Smith had a different slant when he wrote on going into the pulpit of All Saints Church in Foston in 1806: 'When I began to thump the pulpit cushion on my first coming to Foston, the accumulated dust of 150 years made such a cloud that for some minutes I lost sight of the congregation.' Not so at Whitby where the church is cared for and well loved.

Today preachers often remain at ground level, the better to interact with their congregations, but here at St Mary's Church the pulpit is a sign of the importance of teaching the Word: not because the preacher stands eight feet above contradiction, but to allow people to see and hear.

The word 'pulpit' means a platform or raised area to address the gathered family of God. As we look on in the pews, it stands often on our left. But God looks at us from the east end of the church and the pulpit stands at his right hand: a sign that the sermon can be the divinely inspired message of prophet and teacher, and so become living and active in the minds and hearts of its hearers.

CHURCHWARDEN'S CHAT

Julie Barrett writes

Many thanks to those of you who read and even emailed me in response to my last article. I read it, too, and noticed some printing mistakes. More about mistakes further on.

Meanwhile, I've been trying to work out: What does a Churchwarden do? Who am I supposed to be in this role? I've been reading various information, and thought I'd share some with you:

"In co-operation with the priest in charge (or, in cases of vacancy, the bishop), Churchwardens are generally responsible for the day-to- day functioning of the parish. These responsibilities include various aspects of administration, plant operations, and personnel. Their work is not just the maintenance of the church building, but helping the smooth running of the

Church" (www.churchwardens.com, emphasis in original; italics mine). I am definitely a 'case of vacancy': a glazed look has regularly been passing across my face as I absorb the plethora of regulations, forms-to- be-filled, names of church chattels and fancy titles for building parts. Consequently, I will be dealing with the bishop for eternity! However, I perked up a bit when I saw I'll have to deal with 'plant operations': having just moved house, I need to do some – but I have a feeling that churchwardens have more to do with faulty boilers and leaking roofs than pricking out pansies. 'Smooth running of the church' conjures up a marvellously automotive picture: I wonder what sort of engine we should liken Dedham Church to? Answers on one side of A4 please, all you testostorossos out there. Seriously, though, that job spec. does sound quite onerous, doesn't it? And on top of all that practical responsibility, here's what our diocese expects:

"As the leading lay people in the parish, churchwardens must be seen to be setting an example in ministry, in worship, and in seeking to witness to their Lord and Saviour."

(http://www.chelmsford.anglican.org/policies/churchwardens-and- sidespersons; my italics).

No pressure, then! I did wonder: does this requirement to be 'setting an example' mean that all my past mistakes disqualify me? Then I remembered that, through the example and teaching of Jesus Christ, my past – and present and future – mistakes are forgiven. God wants to welcome me back into relationship and to help me live the life I was meant to live.

GUIDE DOGS FOR THE BLIND STOUR VALLEY BRANCH

Trainee Guide Dog Bertie will be absent from the congregation here at St. Mary's as he has now advanced in his training and attending the London Guide Dog School at Woodford Green. After gaining valuable experience at the puppy walking stage including attending church, talks, meetings, travelling on all modes of transport and getting used to our big noisy world. I am sure Bertie will miss seeing you all, but has to move on to the next stage of his training which will be learning to guide safely. He will make new friends and playmates, two and four legged and will I am sure continue to work hard and later hopefully qualify as a Guide Dog. I will be in contact with his trainer and will update you on his progress.

I would like to say a sincere "Thank You" to everyone for the help given to Bertie at church.

A quote from Lord Baden Powell, founder of the Boy Scout movement "Leave nothing behind except your thanks". Bertie leaves his thanks (and maybe a few hairs!!)

DEDHAM PLAYERS AUTUMN PRODUCTION - "LEND ME A TENOR"

This funny and highly entertaining farce will be staged at Dedham on 26th to 29th October. Keep your diaries free and look out for our main advert nearer the time (tickets when available from www.dedhamplayers.org or

Shakespeare House Gallery, Dedham).

This production will be directed by acclaimed international actor and director Kelvin Hastings-Smith whose performance as "The Dresser" in April was unsurpassed.

The play centres around a hotel suite where two scantily clad women both believe they are with II Stupendo, a world famous tenor, after the man himself passes out temporarily and his place is taken by his assistant Max.

A sensation on Broadway, you'll fall about at this madcap, screwball 1930's set comedy. Book as soon as tickets become available. DON'T MISS IT!

PARISH VACANCIES

Our PCC is looking for an Hon. Treasurer who is willing and able to accept responsibility for proper accountability and reporting of all our church's financial matters. You would have an excellent team, already in place, to help with the day-to- day book-keeping and the like, and to provide background information plus some specialist help. You would be expected to be an ex officio member of the PCC and report on behalf of a finance/governance committee (which you would chair) to it.

We are also looking for an Hon. Secretary (to the PCC). We are looking for a competent, organised and attentive administrator/secretary, who can help keep the PCC (and especially the Churchwardens) in order with the various correspondence, minute- keeping and progress-chasing that comes with taking care of a large parish church. You would also work alongside a fantastic Parish Office team, and be an ex officio member of the PCC yourself.

If you would like to find out more about these two voluntary positions, or apply, please contact the Parish Office in the first instance, and the appropriate officer will get back to you.

ATTENTION ALL **COMMUTERS!**

There is a choice of wonderfully inexpensive, on-time, on-location, hassle-free and ECO-friendly ways to catch your train from/to Manningtree-London Liverpool St.: Catch the no. 80/81A Panther bus from Dedham (various stops from Marlborough Head (06:28 and 06:59), up Crown Street, across at the Heath, down Coggeshall Rd, then left along A137), arriving right outside Manningtree station in time for either the 06:54 or 07:18* trains arriving at Liverpool St. at 07:58 or 08:24, respectively. The bus then meets the 17:38 and 18:10 trains from London Liverpool St., arriving at Manningtree at 18:44 and 19:11, respectively. The bus leaves the station at 18:50 or 19:20 and gets back to the Marlborough Head by 19:04 or 19:34, respectively. The bus fare is £1.80 one way or £2.90 day return. Further details are available from Panther Travel (01279-661528), the Parish Council, in the Church porch or on the Borough Council website. The buses also run at other times between Colchester and Manningtree.

This system works: I was sceptical,

but it is fantastic - and often I'm the only person on the bus; the most so far has been three. Use it or lose it! Please just give it a try: leave the car at home, save fuel, and parking fees & stress.

*The 07:27 is a cheaper option saving around £10, single.

HIDDEN TREASURES

St Helena Hospice is inviting local people to showcase their gardens from March to August in order to raise money in support of its patients and their families.

The hospice recognises that lots of its supporters have beautiful gardens nestled away which have had a lot of hard work, time and effort put into, and it would love supporters to share their masterpieces in aid of its work. The community fundraising team will provide fundraising materials for anyone opening their garden as well as helping with advertising to the local community. An event raising just £25 could pay for a chaplaincy visit to provide a 'listening ear' to a patient, regardless of any religious beliefs. A small donation can make a large difference.

CONSTABLE COUNTRY MEDICAL PRACTICE

Staff Changes

I'm delighted to announce that Dr Ewa El Graoui will be joining the practice on 13th June as our 4th GP Partner. We are advertising to for an additional doctor and a Nurse Practitioner. In the meantime, we will continue the doctor is overrunning and you canto use doctors on a locum basis, including Dr Johal, Dr Le Roux, and Dr Kunche. Dr Ewa's arrival will help us to improve continuity of care to patients. Dr Omar left the practice at the end of March and will be moving to a different part of the UK. Until that time he will continue to oversee our four GP registrars.

Practice workload and operations

We operate a very busy practice. In order to cope with demand, and work within NHS funding constraints, the offers the best service possible, with the resources at our disposal. We feel that our new appointment system offers excellent access for patients. We have some pre-bookable appointments, the majority are then available for booking on the day, and we operate an overflow list where we will never turn a patient away. Patients on the overflow list will initially speak with a doctor and then be seen in person if necessary. Patients will always be able to speak to a doctor whenever they contact us.

Please note that Constable Country Medical Practice refers to the East Bergholt site and Capel St Mary to the Capel site. For technical reasons we are unable to change 'Constable Country Medical Practice' for 'East Bergholt'

but are exploring the possibility of doing this. Our doctors have 10 minutes for a face-to- face appointment, as specified by NHS England. However, when patients attend with serious or multiple problems, consultations can take longer. Doctors may also have to see additional urgent cases or make an urgent visit to a patient's home. Please be patient, but if not wait then let the receptionist know.

Along with all other practices in Suffolk, we are working with the Clinical Commissioning Group (CCG) to reduce NHS prescribing costs. A CCG pharmacist helps to identify patients who could be switched to identical, but nonbranded medication which is often considerably cheaper. Finally, our doctors review hundreds of test results and letters every week. If a patient has been referred for a test the practice will inform them if further action is required. practice needs to operate in a way which We will not contact patients if no action is required though patients can contact the practice to find out their result. When medication is requested by a consultant following discharge from hospital, doctors will enter the medication on to the patients record. However, the prescription will generally only be printed out, signed and ready for collected when requested by the patient.

Training Days

The practice will be closed from Ipm, 14th July for staff training. The doors will be closed so please ensure any prescriptions are picked up beforehand. If you phone, the recorded message will ask you to ring III for medical assistance if your problem cannot wait until the next day.
