## GOD IN THE ARTS

### 'He gave us eyes to see them' – the altar

In 'The Temple' the reader travels through the poems of George Herbert and makes a pilgrimage through the church to arrive finally at the altar where Love bids us welcome to make our communion. For the poet and for us, the altar is a sign of Christ:

His presence in the sacrament of His body and blood. At the Reformation stone altars gave way to wooden holy tables, but in 1972 a stone altar was created for a London church that was designed not only as a sign of Christ, but as a reminder of the Dome of the Rock in Jerusalem – the place where Abraham was ready to offer Isaac.

The altar is a focus of offering. Its sculptor was Henry Moore who began his work 300 hundred years after Sir Christopher Wren designed the new church of St Stephen, Walbrook in 1672. Neither Wren nor Moore was afraid of innovation and experiment. As a result Wren created one of the most beautiful of London churches, famous and admired throughout Europe, with its central dome carried on twelve columns. His concern was that in worship all should hear and see, just as Moore's concern was to show the altar at the heart of the church, and consequently a church that is at the heart of the city.

The placing of that altar led to a lengthy court case in 1987, and opinions may still vary over this marriage of stone and building. But it remains as a focus for offering and worship, just as the church of St Stephen stands nearly 350 years after it was rebuilt. Both take us in faith and prayer to an earlier age when Jesus shared a meal with His disciples in the Upper Room. We rejoice that the same Jesus welcomes us to the Eucharist now at this altar of St Stephen and at the altars of all our churches.

**Mouse Makes**

Jesus is coming, ADVENT is here!  
Advent is the time we celebrate the arrival of Jesus, who is God's Son and our Saviour. In Advent we remember God's promise to the world, God's message to Mary, God's gift to us and God's promise come true in Jesus.

ADVENT starts on the last Sunday in November. Colour in the green leaves and the red berries on the Advent wreath.

Glue the wreath onto card then cut out. Hang up on ribbon. Each Sunday in Advent colour a candle and read the Bible verses

God loved the world so much that he gave his one and only Son so that whoever believes in Him may not be lost, but have eternal life. John 3:16

The circle of the wreath and the evergreen leaves represents God eternal, and His endless mercy and love.

The candles on the wreath represent the Light of God coming into the world through Jesus.

## VIEW FROM THE VICARAGE

I am  
delighted to  
be moving to  
Dedham to  
serve our  
communities  
in the newly  
joined  
parishes of  
Dedham and  
Ardleigh.

I am currently working as  
chaplain to the Grenadier Guards in  
the army which has been a  
fascinating and challenging  
experience. Now I'm very much  
looking forward to returning to  
parish ministry.

Previously I served my curacy in  
Bath and subsequently became a  
vicar in Ipswich. I grew up in a  
village in Gloucestershire but have  
spent most of my adult life in larger  
towns and cities so I am sure that I  
will need much refreshing about  
rural life!

I hope to meet many of you at  
my licensing service at St Mary the  
Virgin, Dedham on Wednesday,  
9th November at 7.30pm, but if you  
are unable to be there I shall look  
forward to meeting you out and  
about in the village somewhere -  
shop, pub, school playground...

My first Sunday Service will be  
Remembrance Sunday,  
13th November when we gather at  
10.30am around the Memorial -  
this will be poignant for me as I  
mark the transfer from army  
chaplaincy to parish ministry. I do  
hope you can join us as we honour  
those who have made the ultimate  
sacrifice. The most important thing  
for me is to get to know you over  
the next few months so do feel free  
to drop into the Vicarage and  
please invite me to events that are  
going on in the communities.

Looking forward to meeting you,  
*Antony Wilson*

## PARISH COUNCIL

Sheila Beeton writes:

A major item at our October Meeting was village parking. The Council took note of the feedback received at our July Meeting and Cllr. Follows (DPC) and Trevor Degville (North Essex Parking Partnership) agreed revised proposals which also had the support of our local county and borough councillors. After a wide ranging discussion the principal changes recommended were:

- The whole of the footway and grass verge on the west of Crown Street to specify 'no parking' at any time.
- From before the bend on both sides of Crown Street to beyond Coppins: to become double yellow lines.
- Southfields junction with Crown Street; double yellow lines around both corners and into Southfields until over the bridge:
- Manningtree Road: extending restricted parking from junction with Crown Street along to Apple Tree Cottage on both sides.

It should be noted that these are recommendations from DPC at this stage and there are a number of further stages to go through before any implementation date.

It was also agreed:

- To investigate land availability for new parking areas on this side of the village:
- To request a new Vehicle Activated Sign on Castle Hill;
- To investigate the provision of additional footway in Crown Street on the bend around Hallfields House to link with existing.

Since the meeting I have received a

further proposal requesting support from DPC for an initiative between the School and Munnings Museum to provide morning parking facilities for parents to park in Munnings Car Park and walk children to School. A condition of the scheme is that volunteers are recruited to 'person' the car park for a maximum of an hour each morning to oversee parking arrangements. A rota is being established to share this responsibility.

**PLEASE WILL LOCAL RESIDENTS WHO COULD BE AVAILABLE TO JOIN THIS ROTA – from 8.15 to 9.15 am on weekday mornings please volunteer to Charlie Darton on ☎07870 206744 or email [cdarton@dedham.essex.school.uk](mailto:cdarton@dedham.essex.school.uk) Please help to get this scheme going and reduce morning congestion in Crown Street. Just one day per week or month would be good.**

Christine Frost writes:

DPC has invited representatives from local business to a 'business breakfast' to be held at the Boathouse Restaurant on 10 November. Speakers will include Pam Donnelly, Executive Director, Customer Operations & Partnerships at Colchester Borough Council, Inspector Danielle Booth from Essex Police and Karen Turnbull, Economic Growth Development manager at CBC.

If you run a business in Dedham you should have received an invitation to the event. Please contact me with any queries on ☎322296. Next meeting, Monday 7th November 2016.

## DEDHAM PRIMARY SCHOOL

Laura Valentine writes:

Last month was launched with our Harvest Festival which saw children from every class present to the rest of the school. Acts included: storytelling, riddles, art, songs and even a rap!

Children also shared information linked to Beacon House where some of our gifts were donated this year.

Around the school, classes are now well and truly immersed in their topics. This term's themes are: All About Me (Class R), Castles & Dragons (Class 1), Explorers (Class 2), The Stone Age (Class 3), Robots (Class 4), Ancient Greece (Class 5) and Anglo-Saxons (Class 6).

Our Prayer Space Day was a huge success earlier on this term. Prayer spaces enable children of all faiths and none to explore life questions, spirituality and faith in a safe, creative

and interactive way. A particular favourite was the prayer space exploring forgiveness where worries can be put into a pebble and be dropped into a bowl of water so children can see worries dissolve away in the ripples.

Last month the whole school also thoroughly enjoyed a visit from Nick Williams who shared his photography of the natural world in his 'Living World' talk. The Life Education Bus also visited and children from all classes went on-board for PSHCE lessons with Harold the Giraffe.
