LADIES FELLOWSHIP

Our meeting for the next two months will be as follows:-

Wednesday 28 August, our trip to Felixstowe meeting at the Assembly Rooms at 11 am.

Wednesday 25 September 2.30 pm in the Assembly Rooms, when we expect Mr Peter Mockford to give a talk on 'A Day in the Life of a Magistrate'. New members always welcome.

GOOD NEIGHBOURS

On a sombre note, matters were discussed concerning the future of the 'Good Neighbours Club', but hopefully fortitude will prevail.

On a lighter note a possible outing to Hadleigh in August lifted our spirits.

The next meeting will be held on Friday 9 August and the competition will be 'A Pet' photograph.

HORTICULTURAL SOCIETY

Following a successful Spring Show, we had a well-attended AGM in May, followed by a plant sale held for the first time by the Church porch with us combining forces with the Mission Bake stalls, an enterprise from which we both benefitted and which we hope to repeat. In June we had our annual outing to the wonderful gardens at East Ruston in North Norfolk, stopping off at Wroxham on the way.

We held a Coffee Morning and plant sale in the stunning gardens of Meadow-brook, Grove Hill, courtesy of Edna Green, to whom we are most grateful. We had superb weather and raised over £200 for the Society's funds. The Autumn Show will be on Saturday 7 September, 2 pm in the Assembly Rooms, Dedham. We need lots of entries this year to make a good display - so please offer 'something'.

The next meeting will be in the Assembly Rooms on 2 October at 7.30 pm when Neil Catchpole of the Dedham Vale AONB & Stour Project will speak on 'The Stour Valley - a Snapshot'. Visitors welcome. On the same day, the Allotment Association is holding an 'Open Afternoon' - the plots are down the footpath opposite the Assembly Rooms, so hopefully you will find time to combine the two events. There might be fresh produce for sale on the allotments to raise funds for the Association.

We have an exciting programme of guest speakers including Karen Kenny, writer and broadcaster, talking on the subject of 'Weeds, Wonderful Weeds'. Everyone is welcome to our events so please join us - details are available from ☎ 322 565.

VIEW FROM THE VICARAGE

This article was suggested by the Address given at the funeral of the late Brian Moore.

SERVICE WITH A SMILE

The word 'service' can seem very dated nowadays. As our public utilities have become businesses, as people being cared for have become 'clients', and as 'passengers' on public transport are now called 'customers', so the word and very idea of service seems to have been deliberately dropped from use in our country. Of course, the Civil Service and the National Health Service do retain the word, but in both these cases the once proud concept of service that they exemplified has come under assault.

It comes from those who think that profit is the only motive that will sustain effort and that measurable results are the only ones that matter.

In contrast, the concept of service is - and always has been - primarily about the needs of others, not the profit that can be made from them. Likewise, the results in life that really matter are the ones which, though they cannot be easily quantified, do last; ones such as love, joy and kindness - and community service.

Many people have grown to regard the Church of England as a public utility, to be used as and when needed. It is certainly true that in teaching the virtue of service to one another, in gratitude for the love of God in Christ, the Church is a rare survivor of a form of public service; one which is available to all who live in the communities its serves and, as is the case here, to the many more who pass through it.

However, like so many others still engaged in serving the public, the Church does so today with diminished resources; with less people and less money than in former times. Yet here in Dedham, the

situation is far from discouraging. Against the national trends, more people have offered to serve this community by taking up church office in some form or another. Last year we struggled to pay our bills - the cost of heating the church for example - this year people have responded by being more generous in their giving of their time and money. Thank you to all who, in a spirit of service to the Church and community, have responded to the call.

Gerard Moate
Vicar & Lecturer

FRIDAY is when the Vicar usually takes a day off.

WELCOME TO MYLA!

Katie Courts, who took over the role of Editor of this Parish Magazine in April of this year, was somewhat distracted when it came to this issue. On 9 July Katie gave birth to Myla Jane, at a weight of 6lb 9oz (funny how such important weights still make more sense in Imperial measure...). Our congratulations to Katie and Paul on their new arrival, and welcome to Dedham, Myla!

FOR YOUR PRAYERS

Our Reader Emeritus and former parish church Director of Music, **Stuart Wilson**, has been very ill in Colchester County Hospital. At the same time, **Margarita Moate**, wife of the Vicar & Lecturer, has been very ill in the same ward. Stuart and Margarita and their respective families are grateful for the practical kindness that has been shown to them, and most of all for your supportive prayers. Stuart has now moved to a nursing home. Margarita is convalescing in the Vicarage; until further notice the Vicar, Gerard, is working half-time while he is caring for his wife.

THANK YOU, CHRISTOPHER!

Christopher Bailey has stepped down from more than a decade of being a Governor of the Primary School, much of the time he has been the Chairman of Governors. His very great service to this community was acknowledged by the School on

several occasions - but it is important to note here that his leadership, judgement and considerable efforts have meant that he leaves the School in very fine form. On behalf of the community (more than the village of Dedham), thank you, Christopher.

CHURCH APPOINTMENTS

The Vicar & Lecturer is delighted to announce the appointment of a new Verger. **Gabriel Watson**, wife of the Director of Music, Antony, has kindly accepted the invitation to succeed **George Beeken**, who retired last year. The Vicar & Lecturer welcomes the appointment of a new Financial Administrator for the Parish Church. **Sara Marshall**, who is an accountant, is taking up this part-time role from the beginning of August. Sara lives on Gun Hill, Dedham, in a house that was once the vicarage for Langham. Our thanks are due to **Tracy Woods** who was persuaded to 'hold the fort' in emergency and who has done so for more than a year; and to **Katrina Ablett** who continues to give her time in administrative support.

VACANCIES

The Parish Church is still seeking the right people for other key ministries: that of Hospital Visitor, Parish Visitor (who takes Holy Communion to those who are house-bound) and Registers Clerk (who needs to have good handwriting!) If you, or someone you know, are interested - please get in touch.

DEDHAM CHURCHYARD

'Private grief in a public place'

As part of the regular maintenance of our church burial grounds, the groundsman has been instructed to remove the following from graves:

- all memorials and shrubs placed without permission
- all flower containers or tributes that are not made of stone; including those made of plastic, glass, china, porcelain, terracotta or cloth material
- all wire, nylon or plastic netting
- all artificial flowers
- grave borders of wood or metal
- and, after about a year, all earth mounds or extensions beyond the footprint of an authorised memorial.

Small tokens placed at the foot of a memorial stone may be left for a short while (for example, to mark special anniversaries) but these may not be placed permanently; in due course they will be removed and without further notice.

Whereas some leeway is given to those who have been recently bereaved, after a year all memorials and tributes must be within Diocese of Chelmsford regulations, see:

www.chelmsford.anglican.org/chelmsford-file-memorials-in-churchyards.html

This work is done for the overall appearance of our much-loved country churchyard, as well as for the well-being of those who visit it and maintain it. If you have any cause for concern about a particular grave, then please contact the Parish Office.

Cinema Paradiso 
Directed by Giuseppe Tornatore 1988

A famous film director remembers his childhood at the Cinema Paradiso where Alfredo, the projectionist, first brought about his love of films. He returns home to his Sicilian village for the first time after almost 30 years and is reminded of his first love, Elena, who vanished from his life before he left for Rome. A beautifully produced film with the most memorable final sequence to send you home thinking the world is a wonderful place. Best Film Oscar 1989.

Argo 
Directed by Ben Afflick 2012

In 1979, the American embassy in Iran was invaded by Iranian revolutionaries and several Americans were taken hostage. Six managed to escape to the official residence of the Canadian Ambassador and the CIA was eventually ordered to get them out of the country. With few options, ex-filtration expert Tony Mendez devised a daring plan: to create a phony Canadian film project looking to shoot in Iran and smuggle the Americans out as its production crew. Best Film Oscar 2012.

ST. EDMUND'S 1000

A group of some twenty pilgrims will be walking from St. Paul's Cathedral, London to the cathedral in Bury St. Edmunds to mark the 1,000th anniversary of the returning of the saint's body to the Abbey.

From 5-9 August they will walk the 85 miles, stopping at Greensted church, near Ongar, one of the oldest church buildings in the country and where it is believed that Edmund's body rested on its journey; and also at the chapel of St. Stephen in Bures St. Mary, Suffolk, where it is believed Edmund's coronation took place in 855AD. The pilgrimage is a joint venture between the dioceses of St. Edmundsbury and Chelmsford and will be led by the Revd. Canon Philip Banks, Precentor of St. Edmundsbury Cathedral, who was formerly the Vicar of Coggeshall.

FARMERS' MARKET IN DEDHAM

Those with good memories may recall that for a while Farmers' Markets were held in the parish church in Dedham, before it outgrew the space available. The recent success of the newly-formed local Farmers' Market in means that, as the colder months approach, it may move back inside - and in so doing help to keep the church open during the Winter. Look for more details in a subsequent issue.

WHO DO YOU THINK YOU ARE?

A project has been begun that will be of tremendous interest to the many who have an interest in the family roots in Dedham. At the invitation of the Vicar & Lecturer, **Gary Sanford** is creating facsimile editions of our church registers, with transcriptions of the difficult-to-read original entries and, eventually, a full index to all of the registers for the period 1560-1900. Manuscript transcriptions, as far as 1812, were done back in 1912 by the Rev'd Reg Grubbe, a retired Vicar of Ardleigh. Modern computer technology has meant that this tremendous task is now possible with somewhat less effort and at an affordable cost. The Parish Church is very grateful to the family of the late **Samantha Hunnable** who have given a donation in her memory that will help to cover the cost of the six or seven volumes that it will take to complete the task. The first volume, from 1560-1630, should be available before the end of this year.
