## VIEW FROM THE VICARAGE

### THANK YOU

From the day Betty Cox first arrived in the Parish Office eighteen years ago, her calm and methodical approach to life was brought to bear upon the many P's and Q's of our parish life. Whether it was dealing with People, Pastoral and Practical Problems (all requiring great Patience!) or Queries, Questions (and the Quite seriously bonkers matters) that come through the Parish Office, Betty would cope. It was not long before the Vicar (and many other people) when faced with a matter concerning the church such as 'where is...?', or 'who does...?' or 'how can we...?' would find themselves saying, "Betty will know". As Betty steps down from her work as Parish Secretary, many have cause to be very grateful to her for all that she has done for the church and wider community over so many years.

Bob Cox (Betty's husband) set up and has maintained the parish church's website for more than a decade. He has also been the behind-the-scenes solver of all manner of computer problems - not only for the Parish Office, but for others as well. Thank you Bob and Betty for your help, support and service to others. You have shown us a fine example of community service.

Barbara Ward has had the role of the 'go-to' person for flower arranging if you were having a wedding in our church. For nearly two decades Barbara has met with anxious brides (and their even more anxious mothers) to discuss what will and will not work by way of decorating the church with flowers. A floral arch over the door in the North Porch has been a hallmark arrangement that Barbara (with the help of her grand-daughter Eleanor Ward) has produced to the delight of many.

At the end of this year's wedding

season Barbara handed over this responsibility to Wendy Sarton of Dedham Hall. It is with great gratitude that I acknowledge here all that Barbara (and Eleanor) have

done to help make Dedham so highly regarded for the high standard of its flowers in church.

It seems to me that we are relatively wealthy in Dedham because of the forms of service that people are willing to give to others. Christians in this community will want to thank God for His generosity to us through such service - and I trust will be moved in some way to emulate it.

### ARDLEIGH SURGERY 'Flu Clinics

A reminder to those patients over 65 and in the 'at risk' groups that have not yet booked in for a flu vaccination. Clinics are being held during October and if you cannot attend one of those please book an appointment with a nurse at some other time. All children aged 2,3 and 4 and under 18 'at risk' are being offered an oral vaccination.

### New Staff

We are pleased to welcome Lisa Sotherton as our phlebotomist, and Karen Eastwood who is now the GP Care Advisor attached to the Ardleigh practice. Care Advisors are available to provide support to patients for non-medical issues, such as obtaining help from other agencies, advice on welfare benefits, equipment and occupational therapy assessment in the home. To be referred, contact the surgery in the normal way, and the allocated Care Advisor will make contact with you. A Care Advisor can also make home visits where required.

### RELIEF IN SICKNESS FUND

The five-year anniversary of the opening of the Dedham branch of Ardleigh Surgery was in July. The extended and successful service to patients here has been boosted this month with the news that Daphne Langton, Val Guiglielmi and the Vicar, as trustees of the former *Dedham Relief in Sickness Fund* (which was established in the early twentieth century to

support a District Nurse in the village) had decided to donate its remaining funds of £4,500 towards patient care in the village through this surgery.

The gift has enabled the Ardleigh Practice Manager to purchase another electrocardiogram (ECG), for use in Dedham, together with a spirometer (for measuring a patient's ventilation). What is left will go towards new seating in the waiting area. Directors of the Dedham Vale Community Health Association would like to record their gratitude for what seems to be a most appropriate use of these historic funds.

**Superfast Broadband**

Dedham councillors have met with Connie Kerbst, senior programme manager for Superfast. We asked for the meeting because we felt that both the information being published by ECC and the communications with the Parish council needed to be improved. The main information portal for the progress of the project is [www.superfastessex.org](http://www.superfastessex.org) through which residents can enter their post code and check on when, or if, they are going to benefit from the plans. Connie has provided us with a map that gives an indication of the proposals for the village; you may see this on the *Dedham Parish Briefing on Superfast Essex Programme* on the Parish website.

A complex evaluation process was carried out to ensure that the funds available cover as many homes across Essex as possible.

In summary the upgrade is broadly split into three areas:

- Autumn 2014 will see an area from Brook Street going out of the village centre via Castle Hill to Long Road, taking in Manningtree Road, half of East Lane and Coopers Lane.
- 2015 will see progress from Brook Street, through the village centre and up towards Lamb Corner, taking in Stratford Road and Coles Oak Lane.
- The remaining area has no current plans for upgrading. It is understood that more funding is to be made available and further coverage is

expected across Essex after another evaluation exercise. If you live in an area with no current plans, it is essential that you visit the Superfast Essex site and complete the *Make the Connection* survey.

Please note although the coverage map is drawn to postcodes some people may get coverage outside of this map. I must caution you that presently these are plans and not certainties. We are currently pressing for regular progress updates.

*Cllr. Jane Hughes writes*

**Dedham Neighbourhood Watch**

Many thanks to all who responded to our questionnaire about this. We will be inviting you, and anyone who may not have received or responded to this questionnaire, to a meeting on 28 October 2014 in the Assembly Rooms at 7.30pm. We will be discussing how we can implement this worthwhile scheme.

**Hallfields Project**

The recent Exhibition showing the plans for the proposed development on the Hallfields site was a great success in attracting about 90 visitors. A planning application for this scheme is imminent and the development is expected to be a major item for discussion at the October meeting.

The next meeting will be held in the Duchy Barn on Monday 6 October at the *earlier time* of 7 p.m.

### PRIMARY SCHOOL

Another academic year and sure enough our calendar is already full of exciting projects and activities. This month we are performing as part of the *Roman River Music Festival* and our Year Six children are looking forward to a workshop with a professional clarinettist and a trip to the Mercury Theatre to take part in a performance of Stravinsky's *A Soldiers Tale*. Some members of the KS2 Choir will be performing Music Hall songs at Stoke-by-Nayland church as part of the festival too.

Congratulations to our head boy, head girl and house captains who have now been selected and now the rest of the school eagerly anticipates the school council elections. The voting slips and ballot boxes are ready and waiting. First on the new school council's agenda will be helping to select furniture and accessories for the school library, and area of the school which is receiving a makeover.

Looking ahead to next month, for our Harvest Festival this year we will be supporting a local food bank as part of the diocese's centenary challenge and of course the biennial residential trip is also fast approaching. There'll be tales to tell next month, I'm sure!
