

My name _____

Jesus died but God brought him back to life again!

Cut slits in the garden scene as shown. Cut away the entrance to the cave. Use the spare strips of card to make handles either side of the small scenes. Thread through the slits. Pull the handle and tell the story.

Jesus died. His friends put his body in a cave in a garden.
They put a big stone over the doorway.
But the stone was rolled away and the cave was empty. Jesus was alive again!
