

# God's Care for those in Trouble

PSALM 72 V 12-14

*For He will deliver the needy who cry out: the afflicted who have no one to help. He will take pity on the weak and needy: and save the needy from death. He will rescue them from oppression and violence: for dear is their blood in his sight.*

Let us come in penitence as people living in a rich part of a world which exploits the poor. Let us ask for hearts more like the heart of Jesus Christ and for his grace to change.

Let us remind God of his love and power to help and pray:

**For** the growth of Fairtrade and other means to change society at personal, local and governmental levels.

**For** the poor in our country-living in overcrowded conditions.

**For** those facing unemployment, loss of job, reduced pay, depression and anxiety over debt.

**For** government measure to lessen inequality, oppression and violence in the UK.

**For** all who are sick at home, in institutions or in hospitals and all who care for them.

*Lord in your mercy hear our prayer. Amen.*
